

CONTROLLER

Atlantic Marine
Wilmington, NC

About Us:

Atlantic Marine, located in Wilmington, NC, is Southeastern North Carolina's premier, full-service, waterfront dealership. Our family-owned marine dealership prides itself on delivering the complete outstanding boating experience, from sales to service and storage, earning prestigious awards from both Grady-White Boats and Yamaha Outboard Motors. These accolades reflect our dedication to excellence in customer satisfaction and world-class service, recognized globally for 12 consecutive years. We credit our success with innovative ideas, a high level of attention to detail, and outstanding teamwork. We are searching for the right candidate to play a key role in the continued success of our company in one of North Carolina's fastest-growing communities and take advantage of the vibrant coastal lifestyle Wilmington has to offer.

Job Summary:

Atlantic Marine is seeking a highly organized and detail-oriented Controller to lead our accounting team. In this pivotal role, you will provide essential financial oversight and support, ensuring the accuracy and integrity of our financial operations. Your contributions will be vital in fostering the company's growth and overall success. Key responsibilities include managing accounts, preparing financial reports, and ensuring compliance with accounting standards and procedures. The ideal candidate will bring strong leadership skills and a commitment to maintaining high standards in financial management. This is a full-time, salaried position in the marine industry, reporting directly to the executive leadership team of a closely held family-owned business.

Job Details:

Full-time (40 Hours) In Person
Monday to Friday

Compensation & Benefits:

Health Insurance
Dental Insurance
Life Insurance
Simple IRA (3% match)
Paid Time Off
Employee discount

Controller Duties/Responsibilities:

- Prepare and maintain financial records and reports, including balance sheets, income statements, and cash flow statements
- Prepare journal entries, conduct account reconciliations, and ensure accuracy of financial data
- Review and analyze vendor invoices, employee expense reports, and other financial documents
- Maintain inventory control with financial records
- Ensure compliance with all accounting procedures, policies and regulations
- Prepare budgeting, forecasting, and variance analysis
- Collaborate with other departments to gather and analyze financial information for decision-making purposes
- Provide support during audits and maintain all necessary documentation
- Stay up to date with industry trends and changes in accounting practices
- Oversee payroll and HR as needed
- Oversee daily floorplan payoffs
- Facilitate strategic planning sessions, ensuring alignment with company goals and objectives

Required Skills/Abilities:

- Bachelor's degree in accounting or related field
- 5 years of experience working in an accounting management role, preferably in a dealership
- Strong understanding of accounting principles and procedures
- Experience with Lightspeed DMS system is preferred but not required
- Excellent communication and interpersonal skills
- Ability to lead a strong team of dedicated employees
- Strong organizational skills and attention to detail.
- Excellent time management skills, with proven ability to meet deadlines.
- Experience with inventory control and dealership operations is a plus
- Strong desire to look for solutions to daily challenges
- Maximize efforts towards productivity, identify problem areas and implement solutions.
